Metes and Bounds, Phoenix, AZ

AUCTION WITHOUT RESERVE: An exceptional example of Frank Lloyd Wright's late work, the legendary Norman Lykes home is an incredible opportunity to own a masterpiece of mid-century modern design. A series of overlapping and intersecting circles, the "Circular Sun House" playfully explores both the geometry of the circle and the organic cliffs and boulders into which it is built. Artfully designed to weave in and around the natural landscape, the home bends with the boulders surrounding it. The home features 3 beds, 3 baths, 2 living areas and an office with 360-degree views on the inside, and a private entertaining terrace featuring an indoor wet bar and shimmering pool with fountain lined with mother of pearl. Home will be auctioned without reserve on October 16. Previews will be held October 11-14 from 1-4 daily. The home comes fully furnished home with mid-century modern and designer furniture. Visit Heritage Auctions online to view the complete due diligence package and terms of sale. Financing accepted.
