Randle, White Pass, WA

Picturesque 5 acres with roughly \$100k in marketable timber including huge Cedar. This property has everything you need with a drilled well and 3 bedroom septic system. Tucked up to the Gifford Pinchot National Forest assures there won't be any neighbors behind you and offers thousands of acres to explore! Take off from your dream house or cabin and hunt or hike from your back yard for miles! Abandoned cabins on the property show years of weathered history. Meandering creek dries up in the summer but adds to the peacefulness this property offers in the wetter months. Build a dreamy cabin in the middle or harvest your timber as an investment.
