Residential on 0.27 Acres

Manette, Bremerton, WA

First time on the market in many years.
WOW-2500 sq ft view home with new 40 year architectural comp roof. Shows nothing but the cool factor. How about 2 private gated entrances that lead to multiple RV and boat parking areas. Western facing covered deck and patio that look out at the Olympics and beautiful sunsets. Another South facing Trex deck with territorial views. All of this is surrounded with nearly a 1/3 acre of absolutely irreplaceable, mature, manicured landscaping. This home which has been preserved very well from the 70's has tons of character with main level and down stairs brick fireplaces, a full ready to entertain family room and bar with all the amenities to party. Down stairs heated workshop for your hobbies.

Built in 1972
