

\$580,000 - 14009 6th Street, Vancouver

MLS® #2274439

\$580,000

3 Bedroom, 3 Bathroom, 2,016 sqft
Residential on 0.19 Acres

Hearthwood, Vancouver, WA

This home is like no other. It is like living in an art object with 20 foot ceilings in multiple rooms. The high ceilings create incredible gallery walls for displaying your art collections. Looking up from the livingroom is a huge loft opening with plants that are framing it. The 2 large skylights give lots of light for the plants. Oh and the Butterfly. The butterfly can stay or go. There is a large fireplace in the livingroom with a woodburning insert from Belgium that can heat the whole house. The home has 3 bedrooms with 2 on the main level and a bath. The primary bedroom is huge and is upstairs with it's own large bath. Also upstairs is a family room with a built in fridge and a 3/4 bath. A sunny deck is off the living room.

Built in 1980
