\$285,000

2 Bedroom, 1 Bathroom, 728 sqft

Residential on 3.09 Acres

Vaughn, Vaughn, WA

Beautiful 3 acres, first acre more or less, is cleared and ready for your animals, it already has a large chicken coop. The home sits with a view of the field, the rest remains in a natural state with many large leaf maples and some big cedars. You will be surrounded by beauty and no neighbors are visible. Lots of wide life including bears, coyotes, bobcats and the occasional cougar, none of which want anything to do with you! If you want peace and quiet this is the place for you. The home is liveable but not financeable. It would be great for a place to stay while building or just replace it. Great well and septic and electric already done, just need a permit and you on your way. Must verify all with county. Seller is a WA RE Broker.

Built in 1991
