2 Bedroom, 1 Bathroom, 960 sqft
Residential on 2.81 Acres

Blaine, Blaine, WA

Solid 2 bd 1 bth home and detached 2 car heated garage/shop on a sweet little 2.8 acres. This property has huge potential to be so much more, and it's awesome just the way it is. This is a well-crafted home w recent upgrades that include energy efficient heat/AC mini split system in home and garage. The acreage is level and would be easy to make it your own happy place. Whether you clear a few trees to enhance the view, look into adding your new dream home and shop somewhere on the parcel or leave it exactly as is, this is a good value! This home may feel nice and private but you're only 1.3 miles from I-5 and the waterfront hamlet of Blaine w all its recent upgrades along w award winning golf and restaurants. Would be a great rental too.

Built in 1925
