BRING ALL OFFERS. Easy show! Perched high at the top of Ekle Street, with views of the water and beach rights. Someone will either build a new home or fix this up into a gem of a Camano Island hideaway and you will wish it was YOU! Look at that oversized large deck which really extends your living space. Large attached carport around back for your beach gear and kayaks. Room to garden, and make this yard sparkle. This could be your future building site - and it comes with a modest trailer that needs TLC. You might build a lovely home with a seaside view perched among million-dollar neighboring homes.

Built in 1976
