Super nice rambler in a tucked away neighborhood that you'll just love. The backyard is super low maintenance and has a nice storage shed and large, covered deck. Inside is a wonderful floor plan with a large open living room with a gas fireplace for for the chilly, dark winter evenings. The primary bedroom features 2 showers and a soaking tub, with a large, walk-in closet. The kitchen is super functional and central in the home and very welcoming for entertaining. The 500 sq ft garage will fit todays trucks and still have room for storage.
