3 Bedroom, 2 Bathroom, 2,080 sqft

Residential on 2.50 Acres

Winlock, Winlock, WA

Bring your ideas and your animals to finish what's been started on this 2.5 acre mini farm. The chicken coop stays. The fenced garden area keeps grazing critters on the right side of the fence. Young fruit trees are growing apples, pears, cherries, and plums. Douglas-fir trees line the property and are growing on the south half of the property. This offers a cozy setting for enjoying the porch and fire pit in the back yard. The shop is easy access from the road and has an insulated workshop. Inside the home, you'll find recently installed carpet and vinyl plank flooring. The kitchen has granite countertops. There is a full bathroom and walk-in closet off the primary bedroom. The bonus room leads to a covered deck for backyard barbequing.
