Curlew, Curlew, WA

If you are looking for an end of the road mountain top retreat.... here it is. Beautiful, timbered acreage backed up to state land and miles and miles of National Forest. You can take off from this property and go all the way up and over the Kettle Crest Range. The land is made up of rolling benches with lots of flat areas for you to build your off-grid dream home/vacation get-away. A seasonal stream runs in and out of a huge seasonal pond and there are several springs on the property. Fairly tough access, but once you are there, it's paradise.
