Visionary Buyers Wanted! This 3000(+) sq.foot house is your opportunity to take inspiration from a mid-century home and reinvigorate it with your own design touches and personality.Â Natural gas line to this home allows for updating the fireplace and kitchen appliances.Â Add some faux stone to the soaring 2 story fireplace and make it your show stopper.Â Take the unfinished space in the basement and add your home gym, theater room, or game area.Â If you are tired of microscopic new build bedrooms and house after house neighborhoods on postage-stamp lots, this choice allows you the room you want. Come with your imagination and take a look for yourself.
