Residential on 0.33 Acres

Kamilche, Shelton, WA

Pristine rambler sitting on a large corner lot! This home has been meticulously maintained, and has new paint inside, new carpeting, a new hot water heater and a newer heat pump. The main living area has a cozy gas fire place, a dining nook, and a good sized kitchen with solid wood cabinets. Off the kitchen is the large family room, with laminate flooring, recessed lights and the guest bath. The home features two bedrooms and the main bathroom. The primary room was originally two bedrooms, and could very easily be converted back to make this a 3 bedroom home again (3br Septic). Enjoy the picturesque landscaping in the back yard while sitting on your fully covered patio! There is an attached 1 car garage, and another out back for tools!
