Lot/Land on 4.13 Acres

Snohomish, Snohomish, WA

4 acres in Fobes Valley outside Snohomish
Fenced pasture, hobby farm, camping, shop, tiny home A tested and working septic system on-site, but bringing it up to code for a new home is infeasible. However, it would be perfect for a shop with an apartment, a tiny-home, or mobile home. There is a tested and working well on the property. Power is ready to connect to. There are power lines running over the south end of the property. 100' x 60' gravel pad with separate driveway
Natural spring in the center of the property forms a 20' pond. Mature apple, cherry, pear trees. Private, dead end road. Minutes to Snohomish Views of the Cascades, and plenty of Hot Air Balloons.
