Residential on 0.56 Acres

Buckley, Buckley, WA

You'll love the huge back yard at this Saddlebrook neighborhood home. The treed landscape plus the county greenbelt along the back property line, provide seclusion from the two adjacent properties. A formal living room welcomes you as you enter this 3 bedroom, 2.5 bath home. The kitchen with dining area is open to a step-down, more casual living room with a wood-burning fireplace for added warmth on chilly autumn nights. One bedroom on the lower level. The primary bedroom w/bath & walk in closet, plus second bedroom suite also w/full bath are on the upper floor. Attached garage, wired for generator capability. Super convenient location, close to major shopping centers and an easy commute to Tacoma, Olympia and Seattle. No HOA.
