Central Kitsap, Bremerton, WA

Ramblers with walkout basements are becoming highly sought after as their utility and flexibility proves timeless. No split level or cookie cutter here. Unique and well-built are operative terms for this coveted low profile build in the emergent Parkwood East neighborhood. On a 1/4 acre and at nearly 2k sq ft of living space, the possibilities abound. Each level features bedrooms and bathrooms and the lower level with its separate entrance is a kitchenette away from being a true separate apartment for multigenerational, add'l income as an ADU, or that valued extra space w/poss 4th bedroom. The two car garage features a shop space too! Adjacent to the most charming park and only one direct neighbor! Located near all services and amenities.
