WOW! What a great price for this beautiful completely remodeled rambler a handful of years ago with newer flooring, windows, plumbing, interior and exterior paint, fixtures, heat pump, water heater, etc. Kitchen remodel included cabinets, tile counters with brand new back splash, wainscoting, newer blinds, programmable thermostat, Ring cameras and more. Brand new roof in 2024. Almost everything has been redone. Even the back yard with newer fencing all around, covered deck, added patio and firepit. RV parking and shed for extra storage too! Don't miss this gem!

Built in 1970
