Logan District, Centralia, WA

HAVE YOUR NEW HOME BUILT WITH A BIT OF A VIEW on this larger than average building lot near Ham Hill. Site has been developed with a Glendon biofilter septic designed for a 3-bedroom home (installation in 2000), a storage building and driveway access just around the corner on Madrona Street. Two tax parcels are combined for almost 1/2 an acre, with an upper deck sunset view towards downtown thanks to the westerly slope elevation change.
