Residential on 0.00 Acres

Downtown, Bellevue, WA

In the heart of Old Bellevue lies The McKee, a condo building fronting Main Street to the south and Downtown Bellevue Park to the north. Unit 204, a corner unit overlooking Main Street with a slight water view to the west, is a home filled with natural light and a wide-open floorplan. The kitchen has been updated, and there is plenty of storage, in-unit washer/dryer, a cozy gas fireplace, 2 covered decks, and 2 parking spaces in the secure garage. The highlight of this home, however, is the largest-in-the-building private patio that will knock your socks off. This patio is something one rarely sees in a condo building and it is fantastic! The McKee allows 2 furry friends, no cap on rentals, and even a guest suite to reserve. Pre-inspected.

Built in 1994
