Location Location Location! This house, built in 1910, occupies two lots in the popular Evergreen Park neighborhood. Behind the gates waits a beautifully designed and maintained fully-fenced, park-like yard with spacious, inviting decks surrounding the single-story home. It's magical. The home itself features: gas furnace ('22) and hot water (serviced in '24), central air, new vapor barrier and under-house insulation ('24), high ceilings, hardwood and ceramic tile floors, (no carpet!) and a jetted tub. Outside is a large shed/shop area with electricity (including level 2 EV charging). Walk to school, work, Seattle ferry. Might this be what you've been waiting for?
