Lot/Land on 0.62 Acres

Arcadia, Shelton, WA

Prime Arcadia building parcel- mostly level property with a very gentle slope, with a little clearing you could even have a peek a boo view of Hammersley Inlet! This piece is tucked in the trees, down a little wooded road, but is mostly cleared making it the perfect lot for your new home build! Being just 4 miles out Arcadia means you are still relatively close to town, but still far enough out to have the peace and quiet, and you're only 2 miles away from Arcadia Point Boat Launch, and about 25 minutes from Olympia! No recent feasibility has been completed, but perc holes were dug at one time which could be beneficial, and you may even be able to create a shared well with the neighboring parcel.
