MLS® #2317148

\$47,500

0 Bedroom, 0.00 Bathroom,
Lot/Land on 0.32 Acres

Peterson, Westport, WA

Two lots on one tax parcel just outside the Westport City limits. Being sold to settle an estate. The mobile home on the property is a tear down. The Estate had the cars removed. The R/V's, boats, and other items in the yard do not have titles and have no value. Priced to take into consideration the work it will take to finish cleaning up the lots. Once that is done, you will have a big place to work on things without city restrictions that has a septic and just needs meters to turn the water and power back on. No access is available to the home, the floors are bad. A key to the locked metal building is available upon mutual acceptance.
