3 Bedroom, 2.5 Bathroom, 2,190 sqft
Residential on 0.29 Acres

Kent, Kent, WA

Back on the market with a newly remodeled primary bathroom. This well cared for home has large spaces with many windows to keep those dark winter days from spoiling your mood. Check out the large lot with so many mature fruit trees including Peach, Cherry, Kiwi and a couple of varieties of Plum and at least 6 varieties of grapes planted. The names of varieties are too big for his space so ask your broker to provide the list. A concrete pad is ready for another hot tub if that's on your wish list. The terraced garden areas are fully fenced and gated for easy gardening.

Built in 1986
