Residential on 0.09 Acres

Bremerton, Bremerton, WA

Fairy tale home with tons of charm! This 1918 historical home in downtown Bremerton was built as part of a housing boom back in the last century, to accommodate all the ship workers coming to town. Original doors and hardwood floors, fun Dutch front door, and claw foot tub all add to its original charm. The last two sellers have done TONS of upgrades to modernize this beauty- incl. almost-new appliances, a new AC unit, guest bath vanity, fresh paint, new toilets, new kitchen sink, fully private wood fencing around backyard, semi-new siding, pantry shelving, light fixtures and more (see attached). Hundreds of tulips and daffodils planted in front yard. This is truly a beautiful, move in ready home!

Built in 1918
