Attention All Pilots! Land your plane on a private air strip and drive right into your own private hanger. This property has it all. Lower level is spectacular with a roomy hanger and TWO oversized garages for parking several vehicles tall enough for RV's and or large boats with workshop space (equipped with 4 Reznor heaters). Also, additional bonus space, a bathroom, large office and utility room. Walk upstairs to a super great apartment with a full kitchen, bedroom and bathroom. The apartment has tons of storage in every room. Two separate entrances for upper and lower level. Family says this property will be sold "as is".
