3 Bedroom, 1.5 Bathroom, 868 sqft
Residential on 2.11 Acres

Quilcene, Quilcene, WA

Riverfront home overlooking the Little Quilcene River! The home was set on site in 1996 with a custom-built roof structure. Pride of ownership shows in numerous upgrades over the years: New flooring, double-pane windows, and a heat pump. Covered front & back porches. A detached two-car garage with 12-foot bay doors and a workspace with power, air, and woodstove are also included. Shed roofing off the garage increases the dry-covered space for toys & equipment. 2 RV hook-ups with water/power. Room for a 2nd home on the adjoining parcel. A great mix of trees and open space. The established landscaping creates a natural border around the property. Easy walk to the river, fish right out your front door!

Built in 1977
