3 Bedroom, 3 Bathroom, 2,819 sqft
Residential on 0.38 Acres

Fife Heights, Tacoma, WA

Here is a wonderfully spacious home that just needs a little "refresh." It reads as a 3 bedroom, but really has 6 rooms that could easily be bedrooms. Living room on main floor and second floor has large family room. Third floor room has a nice view of the city. Kitchen has been recently updated, just needs a bit of finish work. The unique brick arches give this home so much character. 2 bathrooms on main floor and a third bathroom on the second level. Dining room and a kitchen with an eating area. This property has such potential and located in the great community of Fife Heights.

Built in 1981
