Remarkable 1-story VIEW home from the best seat in the theater, gazing right down the Strait of Juan de Fuca, located in the heart of the Olympic Rain-Shadow. Every hour=a change of scenery - from major shipping, lighted cruise ships, tug boats pulling barges, aircraft carriers - & even sailboats/fishing boats...to the majestic snow-capped Olympic Mountains...to the changing hues of the sometimes peaceful Puget Sound, to the frothy waves of another frontal passage. Many evenings you get a blazing sunset. That's what you are buying! The house is comfortable and lightly lived in. LP fireplace. 50-yr Roof added in 2022. Community comes with summer pool, clubhouse & beach. In less than 2-5 minute drive you can be in a County or a State Park.
