\$189,900

2 Bedroom, 1 Bathroom, 1,152 sqft

Residential on 0.16 Acres

Spokane, Spokane, WA

Great opportunity with this fixer in a nice South hill neighborhood. This home has been recently rehab'd but was water damaged from a freeze in the water lines. Tax records show this as a 4 bedroom home, but it is currently 2 bedrooms with a partial basement. Don't wait on this one. Investors welcome for fix and flip, fix and hold or demo and build new.

Possibilities for addition units (buyer to verify to their satisfaction) There is an existing 2 care garage pad in the back yard. Build a detached garage with apartment above? Lots of options here.

Built in 1906
