4 Bedroom, 1 Bathroom, 1,683 sqft

Residential on 0.13 Acres

Tacoma, Tacoma, WA

This very affordable home needs your help and presents a good opportunity to fix up and build equity. The good - 1,680 sq ft of living area and 4 Bedrooms. Big living room and the kitchen has a nice layout with lots of cabinetry and counter space. Cute porch and exterior style. Big 2 car detached garage/shop with alley access is a bonus. The opportunity for improvement - it does need both interior and exterior remodeling and cosmetics. There is some smoke damage in the kitchen, but I don't see any evidence of flames or fire, so you'll have to inspect for yourself. Past listing says newer plumbing, buyer to verify. Get the work done and make this one as good as it once was, or even better! \$349,900.
