BOM Welcome to the Meridian floorplan from Lennar Homes, built in 2020 and located in the amazing Stewart Crossing Neighborhood. Discover the perfect blend of comfort and style. As you enter the home you are met with a downstairs room that can be used as an office and/or bedroom. Adjacent to the bedroom is a bathroom with a shower. The expansive kitchen features a large island with enough seating for 6. The open concept design flows seamlessly through the main living and dining area, then continues on to the full covered patio. The second floor is impressive with 3 more sizeable bedrooms and a large loft. To conclude your tour, walk through the primary bedroom, en suite and massive walk in closet. Welcome home to Stewart Crossing!
