Charleston, Bremerton, WA

They donâ€™t build them like this anymore. This craftsman home is solid, spacious and has weathered the test of time. You can enjoy more square footage at a lower price compared to todayâ€™s builds. Itâ€™s charming, unique and close to PSNS. Lots of room to spread out, you wonâ€™t be stepping over each other here. Four bedrooms and two full baths, basemen storage as well. Located in an established neighborhood that is fairly close to everything in Bremerton. If you are a home buyer, investor or a little of both, do yourself a favor and take a look!
