Residential on 0.14 Acres

Oaks Addition, Tacoma, WA

Welcome into this charming craftsman home! This home is 4 beds, 2 baths with an upstairs primary suite, and it has AC! With beautiful upgrades throughout the house, there's plenty to enjoy here. The kitchen features white cabinets with beautiful quartz countertops and modern accents throughout. The floors are worry-free with laminate hardwood throughout the downstairs. This property also features plenty of off-street parking as well as an abundance of storage with the large, unfinished basement! Enjoy summers with an oversized back yard and deck off of the kitchen! This property would be a great candidate to take advantage of building a DADU with Tacoma's zoning allowances. Very close to I-5 access, JBLM, and all that Tacoma has to offer!
