Residential on 0.22 Acres

Shelter Bay, La Conner, WA

Wake up every morning feeling like you are on vacation in this very private and custom Balinese inspired home with views of Skagit Bay and the Olympic Mountains from almost every room. Vaulted ceilings, skylights, oversized windows and unique details inside and out make this home special. This home offers three levels but can easily be used as single level living. The main floor offers wrap around views, a large master suite, laundry and open concept living. A loft offers a second master suite with private bath and the lower level could easily be a third master suite, extra flex space or because of a recently added exterior entrance maybe a home office with views? New roof, heat pump/AC and external paint make his home an easy choice.
