Residential on 0.28 Acres

Lake Josephine, Anderson Island, WA

A Gorgeous view of the Puget Sound and Mt. Rainier highlights this spacious home. The lot is plenty big as well, with a wrap around yard and a large deck off the back for enjoying time in the quiet and taking in the view. The floor plan is wonderful providing a central gathering place by the wood fire and the dining room off the kitchen enjoys the terrific view as well. There is a nice sized bedroom on the main floor with its own large, walk-in closet and private bath. Upstairs is the master bedroom, with a great view, large closet, and even an anterior room which would be a great office. Serenity awaits at this wonderful home!
