Lot/Land on 30.77 Acres

Camano Island, Camano Island, WA

Beautiful legacy property, undeveloped and undisturbed. Build your personal estate on this fabulous piece, plenty of room to carve out your space while maintaining the natural surroundings. Mostly wooded with mature NW Hardwoods as well as some immature Doug Fir, Hemlock and Cedar. Potential for development, divide into separate building sites? Large parcels are hard to find on the Island with so much to offer, nearby beaches and close to amenities, a great place to get away. This is an estate property that has been in the family for many years, no development has been done. Buyer will need to verify all components for building or developing. Don't miss this opportunity to own a large slice of the Island, where No Ferry is needed.
