Tacoma, Tacoma, WA

Traditional design and updated comforts balance each other in this Eastside home. Updates include 2024 interior paint, kitchen and bath upgrades; paved paths, patio and exterior paint in 2023; ductless heating and a/c in 2021. The practical layout includes 2 beds and 1 bath on both the main and 2nd floor with hardwoods throughout. The fireside living room where sunlight fills the south window is the heart of the home, but all 3 levels offer value. Soak in the long tub upstairs, set up a basement gym and donâ€™t miss the 2nd fireplace. A 2-car garage stands in the fenced back yard perfect for parties with its covered patio and hot tub pad. A lawn and paved front drive welcome you home. Near parks, groceries and McKinley with easy I-5 access.
