Residential on 1.00 Acres

Walla Walla, Walla Walla, WA

House and Garden would be proud to feature this Pristine Home & Shop on 1 acre property. Coveted South East Walla Walla location, close to schools, wineries & downtown. Just enough acreage to give you space to "spread out" without being overwhelmed with upkeep. Custom design/build main floor living with the plus of having a lower level gathering room, bedroom/bath. Brick on the pillars repurposed from the St Patrick school. From gracious entry your eyes will be drawn to the walls of glass that open to covered patio. Fully landscaped, underground sprinklers. This open floor plan flows well while bedrooms situated to create good privacy for all. Gas fireplace, Dream kitchen...Quartz, stainless appliances, gas range, large pantry. Stunning!

Built in 1998
