Residential on 0.17 Acres

Northshore, Tacoma, WA

Across from Alderwood Park, this tastefully remodeled home feels spacious and open. Upon entering you're welcomed by beautiful hardwood flooring that extends throughout the home. Oversized great room windows illuminate natural light, and the stunning new kitchen with large island is open to generously-sized dining room. Centrally located, the main full bath is updated and feels crisp and new, and each of the four bedrooms easily accommodate a queen-sized bed. Nicely sized primary suite is appointed with a half bath. Large separate fourth bedroom, adjacent to laundry room, could be converted to an en-suite, by moving washer and dryer to garage and converting laundry to full bath. Garage is actually a garage and a half in width.

Built in 1979
