\$950,000

3 Bedroom, 2 Bathroom, 1,400 sqft
Residential on 0.90 Acres

Ames Lake, Redmond, WA

Private rural setting on just under a mostly clear acre, yet minutes to Redmond, Sammamish and major interstates. This home is surrounded by majestic trees to provide that privacy, yet the yard is fully fenced and clear affording tons of sunlight to get in and be enjoyed. There are a couple of fun features of this home, the large covered patio area with fridge, SS counters, power, lights, and dual heaters. Adjacent to the covered patio is a well-built building that is separate from the main home and a grand space if you need a quiet office or retreat. Did I say Tree house with some special touches and completed with a slide. The home sports 3 bedrooms, a bonus/rec room, kitchen & dining rooms and a cozy family room to tie it all together.

Built in 1985
