Talk about well taken care of! This home has new exterior paint, new roof and is in excellent condition. As you walk in the first thing you notice is the wide staircase, then the huge living room that is connected to the dining room and large kitchen. Open the slider door and walk out on a nice big deck with great views of the valley and mountains and the huge yard. Plenty of room for playing catch or just running around. 3 bedrooms on the main level including a nice primary bed & bath. Downstairs boasts a huge family room, laundry, full bath and a 4th bedroom. Big 2 car garage (seller actually parks his 3/4 ton pickup inside). Next to the garage is parking for an extra vehicle along with RV parking behind the fence.
