One of the rarest condominium complexes to have units for sale in Walla Walla. The Palouse House Condominiums were built as a condominium complex, and not an apartment complex that was converted to condominiums. Underground garage space with automatic doors for entry and exit. There is an elevator from the parking garage to each floor. Well appointed throughout, with plush carpeting throughout, and heated tile floors in the kitchen and both bathrooms. The kitchen and bathrooms have granite countertops. The Primary bath has a beautiful tiled shower with glass door. This is a corner unit with views amongst the trees.
