Lot/Land on 5.23 Acres

Kingston, Kingston, WA

Here's a beautiful mostly level parcel over 5 Acres w/frontage on Leyman & also on W. Kingston Roads. Located close to The Ferry Terminal and a quick jaunt to shopping or commuter routes. There are several beautiful potential building sites and the property has many Old Growth Fir, Maple and Cedar trees. You'll be captivated from the beautiful meandering lane which opens up to a sunny flat meadow, perfect for homesite. The path also loops around to the back of the property. Soils review indicates good potential for gravity septic. This is one of the nicer and more easily developed parcels you'll find in the area and at the asking price it's compelling. The property Has Power at the street, but needs a well and Septic system.
