Completely remodeled one-story rambler for sale! Views include waters of Dyes Inlet and the Cascade Mountains. On the exterior, all the LP siding was completely replaced with new solid sheeting and then hardie plank siding, trim, and corner boards. Plus a new insulated garage door/opener. Roof was new in 2016. Inside looks great! All the real hardwood floors were resurfaced, stained, and sealed. See the all new kitchen countertops, sink, faucet, refrigerator, double ovens, gas cook top, hood, & dishwasher. New carpets installed throughout. Yes we did the baths. The furnace, AC, & water heater were new in 2022. This completely remodeled house has mature landscaping with huge front and back yards. You will not find one like it. See the video.
