This inviting cottage boasts incredible curb appeal, classic features, and substantial improvements. Large windows allow plenty of natural light into the cozy yet functional floor plan. Original hardwood floors can be found throughout the living room and both bedrooms (even under the carpet). Enjoy focusing on customizing the space with cosmetic updates, knowing that the essential systems have already been taken care of! Recently replaced roof, siding, windows, front door, heat pump, water heater, sewer line, and some electrical updates. Enjoy pops of purple alliums in the front yard, or the mature lilacs from the comfort of the back patio. Situated on a fully-fenced, deep lot down a street that dead-ends at Mill Creek.
