4 Bedroom, 2.5 Bathroom, 3,402 sqft
Residential on 0.44 Acres

Yakima, Yakima, WA

Well designed mid century in west yakima. This home offers a large open concept kitchen and living area with built in island and dinning room table. The wall of windows in this area provide loads of natural light with access and a direct view of the centrally located courtyard blending both indoor and outdoor spaces beautifully. The primary bedroom also provides ample space including multiple closets, steam shower, walk in shower and private access to the courtyard. All of this paired with well thought out established landscaping, a extremely private in-ground heated pool and cabana the options for seamless indoor/outdoor living are limitless. This is truly a must see!

Built in 1958
