3 Bedroom, 2 Bathroom, 1,800 sqft

Residential on 0.22 Acres

Hillcrest, Shelton, WA

Unbeatable location for this newly remodeled, move in ready home on huge corner lot. Could easily make 4th bedroom! Tucked away, quiet neighborhood convenient to all amenities, steps away from park access, and complete with peek a boo views of the water. There is ample parking, a fully fenced back yard, fresh paint in and out and fully updated throughout. The refinished hardwood floors turned out STUNNING. Fantastic layout with living spaces and bedrooms separated, family room AND living room, even an office or bonus room in lower level. Mature landscaping makes for easy maintenance. Pre inspection done, home is ready for you to make your own!

Built in 1965
