Lot/Land on 5.00 Acres

Clinton, Clinton, WA

Lovely, quiet community of homes on a private road. This 5-acre parcel gets loads of light, already has a water share and is paying on the community well, electricity in the street. Still needs soil testing and septic plan, however already established home with similar topography on the same road. Many different areas for potential building sites, slopes and level. Make sure to wear long sleeves as nettles are in full glory!
