2 Bedroom, 1.5 Bathroom, 1,178 sqft
Residential on 1.54 Acres

Bremerton, Bremerton, WA

Tucked away on an oversized, secluded lot on Kitsap Lake, this vintage craftsman cottage is a rare waterfront gem. Nearly 100 feet of no-bank shoreline stretches out from storybook windows that frame rolling lawns, a private dock, and postcard-worthy views. Original wood floors add warmth and charm inside, while roses, lush gardens, and towering fig trees bloom outside. A tree-lined drive, detached garage, and over 1.5 acres of privacy complete the dream. Wake to misty mornings on the lake, spend golden afternoons paddling or gardening, and end each day with sunsets by the water. This is more than a home—it's where lifelong memories begin. Just minutes to shopping, ferries, and dining, yet it feels a world away.

Built in 1924
