First time on the market, this one-of-a-kind 1948 home was designed by renowned local architect Ludwig Solberg. Offering over 3,000 SF across three levels, itâ€™s full of charm and custom mid-century details. The spacious living room with an elegant fireplace and cozy den sets a warm, inviting tone. Two bedrooms with wood floors and laundry are found upstairs. Downstairs, a retro rec room features wood paneling, bookcase built-ins, fireplace, and a wet bar. Enjoy the privacy of the enclosed courtyard, covered back patio, and mature landscaping. An oversized 2-car garage with workshop is accessed from the alley. Ideally located on a corner lot just blocks from downtown. A rare opportunity to own a home with true character and history.
