Residential on 0.06 Acres

Mt Baker, Seattle, WA

Evoking the essence of a tree house in the heart of Mount Baker and adjacent to a greenbelt creating a sense of expanse and privacy. Design influences were borrowed from the best of Classic Craftsman homes; covered front porch, formal entry, open staircase and cozy inglenook. The main level has an open floor plan allowing for ease of movement. Maple floors are found throughout, and every window and doorway are wrapped in clear VG fir trim. Upstairs are 3 bedrooms and 2 bathrooms, while the lower level is perfect for guests with private patio, 3/4-bath, laundry area and attached one car garage. Enjoy summer by the lake or from one of your many outdoor spaces; patios, balcony or garden. The nearby Light Rail takes you to downtown in a flash.
